

Effective Physiotherapy Solutions for Back Pain in Manly

Back pain is one of the most common reasons people seek physiotherapy. Whether caused by sports injuries, heavy lifting, poor posture, or long hours at a desk, back pain can interfere with work, exercise, and daily life. At In Balance Physio Manly, our experienced team specialises in treating the underlying causes of back pain and back injuries helping you achieve lasting relief and a stronger, healthier spine.

Why Choose In Balance Physio Manly?

Our goal is not just short-term relief — but long-lasting results that restore your health and keep you active.

- **Expert Physios** with extensive experience in back pain and spinal injuries
- **Proven track record of success** with more 5 star reviews than any competitors in the area
- **Holistic approach** combining treatment, exercise, and education
- **Personalised care** tailored to your goals, lifestyle, and activity level
- **Generous appointment times** to allow us to adequately listen to you, assess your issues, provide hands on treatment for pain relief and corrective exercises to correct the underlying issues
- **Modern well appointed clinic** with rehab and Pilates gym
- **Convenient Manly location** with nearby parking and easy access

Whether you're dealing with sudden lower back pain, a sports-related injury, or ongoing stiffness, our team can provide the right back physio treatment in Manly to help you recover.
